

Flocking season is here!

We have confirmed reports that flocks of flamingos will be landing in locations throughout Henderson County. These 2ft tall, pink plastic flamingos travel in flocks of 12 and love resting in beautiful yards and business fronts.

“Flock” your friends, family, even co-workers for a donation of \$30.

Here is how it works:

- Place an order for a flock of flamingos to be sent out to the yard or business of your choice.
- Trained Flamingo Handlers will covertly flock the address you provide.
- The flock will roost for 2 days unless the Flockee requests an **Early Unflocking for a \$20 donation.**
- You will remain anonymous until the Flockee **Unmasks The Flocker for a \$10 donation.**
- **2019 Flock Shields are available for a \$30 donation** to repel flocks from your property.

All proceeds will benefit the Frances Hensley Animal Shelter.
